

E-VIGNETTE GUIDE 2023

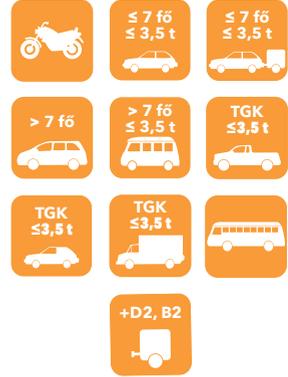

NATIONAL
TOLL PAYMENT
SERVICES PLC.

E-VIGNETTE SYSTEM

The following are covered by the e-vignette system:

- motorcycles,
- passenger cars (and their trailers)
- goods motor vehicles with a maximum authorized mass of 3.5 tons,
- buses,
- motor vehicles not subject to toll under separate legislation, and the trailers thereof.

Vehicles covered by the e-vignette system can only lawfully use domestic **expressways** (motorways, speedways) after payment of road toll, i.e. after purchase of an e-vignette.

National and regional maps of toll roads are also available at terkep.nemzetiutdij.hu.

VEHICLE CATEGORIES

The vehicle category must be defined based on the information contained in the vehicle registration certificate or other official vehicle documents. For this, the following official entries in the certificate are to be taken into account:

- **Field "J"**: vehicle category,
- **Field "F.1"**: maximum authorized total mass,
- **Field "S.1"**: seating capacity.

D1
vehicle category

Motorcycles (D1M) and passenger cars of a maximum authorized mass of 3.5 tons, designed for the carriage of no more than 7 persons including the driver, and their trailers.

D2
vehicle category

All motor vehicles that do not belong to any other vehicle category and do not qualify as motor vehicles subject to toll payment under a separate legal regulation.

B2
vehicle category

Buses, i.e. motor vehicles designed for transporting passengers, with more than 9 permanent seats, including the seat of the driver.

U
vehicle category

Any trailers belonging to vehicles included in categories D2 and B2.

ONLINE PURCHASE: TOLL-CHARGE.HU

Through our official online sales platform:

- you do not have to pay a convenience fee at the time of purchase,
- you only need to enter your vehicle details once,
- as a result, the chances of errors and mistakes (e.g.: mistyped registration number) are reduced to zero for subsequent purchases,
- you can check the validity of your vignettes at any time,
- you can request email notification of the start and end of validity of your e-vignettes, and
- you do not need to retain counterfoils/confirmation messages for 2 years.

TOLL RATES (HUF)

E-VIGNETTE VEHICLE CATEGORY	NATIONAL			REGIONAL
	WEEKLY (10-DAY)	MONTHLY	ANNUAL	ANNUAL
D1M*	2 750	4 450	49 190	5 720
D1	5 500	8 900	49 190	5 720
D2	8 000	12 600	69 830	11 450
B2	17 730	25 150	228 850	22 890
U	5 500	8 900	49 190	5 720

The toll rates are valid as from January 1, 2023. All rates shown in the table are inclusive of VAT.

*Annual national and regional e-vignettes for motorcycles are available as vehicle category D1 products.

E-VIGNETTE TYPES

- **Weekly national:** valid from the starting day specified by the customer and for the following 9 days, until the 24th hour of the 9th day.
- **Monthly national:** valid from the starting day specified until the 24th hour of the same day (by number) of the following month. If the

following month does not have a day with that number, validity ends at the 24th hour of the last day of the month.

- **Annual national:** valid from the first day of the current year until the 24th hour of January 31 of the following year. If the purchase is made within the validity period, it entitles to road use from the time of purchase.
- **Annual regional:** territory-based vignette, which entitles to the use of a given county's toll expressways, with its regional validity typically extending until the first complete junction of the given county's administrative border (more information: nemzetiutdij.hu). Its period of validity is the same as that of annual e-vignettes.

IMPORTANT INFORMATION

- ! Toll sections can only be used with a **correct and valid e-vignette**.
- ! The e-vignette must be purchased **before entering the toll road section**.
- ! The vignette purchase, if not made in advance, must be made within **60 minutes** of entering the toll road section.
- ! When purchasing, **before making payment** you must check the data recorded for the e-vignette, such as the registration number, the country code, the vehicle category and the validity period.
- ! Proof of the vignette purchase is provided by the **counterfoil** (paper-based, e.g. for purchases made at a fuel station) or **confirmation message** (electronic, e.g. for purchases made via SMS) received at the time of purchase.
- ! The counterfoil/confirmation message certifying purchase must be retained until **2 years** after the expiration of the e-vignette.
- ! E-vignettes can even be purchased **several months in advance** – except when purchased via SMS–, in which case you must always specify the exact start date of the e-vignette.
- ! E-vignettes only need to be purchased for **trailers** if towed by a vehicle in category D2 or B2; category U e-vignettes can also be purchased for the registration number of the towing vehicle, after which you can drive with a trailer with any registration number.
- ! If you are involved in an incident incurring surcharge payment, please contact our customer service as soon as possible or find information on your options (e.g. correcting mistakes, typos; surcharge discounts) on the toll-charge.hu website.

UNAUTHORISED ROAD USE

Road use is unauthorized if

- X** the vehicle is used on toll roads without a valid e-vignette;
- X** the e-vignette has not been purchased for the correct vehicle category (e.g. a category D1 e-vignette instead of D2 purchased for a passenger car designed for the carriage of more than 7 persons);
- X** the e-vignette was not purchased for the actual registration number of the vehicle (the registration number was incorrectly recorded);
- X** the country code registered for the e-vignette is different from the country code on the vehicle's registration number;
- X** the validity of the e-vignette has expired or has not commenced yet;
- X** the e-vignette purchased for a given county is (also) used on toll roads in another county (for the exact territorial validity of regional vignettes, see toll-charge.hu).

INSPECTION

Our company checks the existence of the e-vignette with fixed road cameras, toll control cars and mobile enforcement units throughout the country. In the case of unauthorized road use, the owner/operator of the vehicle must pay a surcharge/surcharge difference.

SURCHARGE RATES (HUF)

E-VIGNETTE VEHICLE CATEGORY	BASE SURCHARGE (IF PAID WITHIN 60 DAYS)	INCREASED SURCHARGE (IF PAID AFTER 60 DAYS)
D1 / D2	18 750	74 970
